UNIQUE TECHNO MECH

INTRODUCTION

Dear Sir,

We feel pleasure to introduce ourselves as leading manufacturers of Automobile Components like machining of **forgings, alloy bar steel**, brass parts, stainless steel bar components, **graded cast iron**, investment castings etc. to our customer in country.

We have always been meeting our customer's requirements to their fullest satisfaction. Our rating on quality / delivery basis has been excellent. Few of our regular customers, we are the on-line supplier, meeting their requirement in total.

We assure you the best quality services always to enhance your total satisfaction.

Item like worm-shaft, slow speed shaft, worm gear (as a gear box parts), textile parts main drive gear, sleeve, all type of gear (Automobile parts), Auto Parts and tractor parts as like mahindra and sonalika as a sub – contractor vendor are our specialized items.

Our units are Unique Engi Mech, S. G. Engineers, Iconic Cnc Cutting, Delta Hydrolic all located in Rajkot only.
